AGENDA
of the Executive Committee
of the Capital Area Regional Planning Commission
March 9, 2020 CARPC Office, 100 State Street, Suite 400, Madison, WI 6:00 p.m.

RPC Meeting Policies and Deadlines

Registering and Speaking at RPC Public Hearings and Meetings: Persons wishing to speak must register and give the registration form to the meeting recorder before the corresponding “Public Comment…” or Public Hearing item is taken up. Oral comments will not be heard for individual agenda items not designated for public hearing but will be heard under the “Public Comment…” agenda item. The time limit for testimony by each registrant will be 3 minutes, unless additional time is granted at the discretion of the Chair. However, for public hearings on USA/LSA amendments, applicants are granted a maximum of 15 minutes to testify, and other groups of registrants may pool their time of 3 minutes each up to a maximum of 15 minutes. Commissioners may direct questions to speakers. The RPC may alter the order of the agenda items at the meeting.

Deadlines for Written Communications: Written communications intended to be provided to the Commission and considered as part of the information package for a public hearing or agenda item should be received in the RPC office no later than noon, 7 days prior to the meeting. Written communications received after this deadline will be reported and provided to the Commission at the meeting.

RPC Action Scheduling: If significant controversy or unresolved issues are raised at the public hearing, the RPC will usually defer or postpone action to a future meeting.

RPC Quorum may be Present: RPC Commissioners who are not members of the Executive Committee may attend Executive Committee meetings which may constitute a quorum of the RPC.

MISSION: Strengthen the region by engaging communities through planning, collaboration and assistance.

VISION: A region where communities create exceptional quality of life for all by working together to solve regional challenges.

Commissioners Present: Mark Geller, Kris Hampton, Peter McKeever, Larry Palm (Chair), David Pfeiffer

Commissioners Absent: Maureen Crombie

Staff Present: Linda Firestone, Sean Higgins, Mike Rupiper, Steve Steinhoff

Others Present: None

1. Roll Call
   Chair Palm called the meeting to order at 6:02pm. Quorum was established.

2. Approval of Minutes
   a. Consideration of Approval of Minutes of the January 9, 2020 Executive Committee Meeting (actionable item)

      Mr. Hampton moved to approve the minutes of the January 9, 2020 Executive Committee minutes; Mr. McKeever seconded. The motion passed on a voice vote.

3. Public Comment
   No members of the public attended the meeting.

4. Presentations and Discussions
   a. Conflict Between Deputy Agency Director Job Description and CARPC Bylaws Regarding Executive of Contracts

      Mr. McKeever suggested that the Deputy Agency Director’s job description be revised to remove the authority to execute contracts and agreements so that the job description does not conflict with the bylaws. Discussion ensued about the layer of back up necessary in the event that the Agency Director and Executive Chairperson are not available to execute contracts. An amendment to the bylaws should be written to authorize the Commission to delegate signature of contracts to individual CARPC staff. This revision to the bylaws needs to be made in Article VII Section 7. There was also a suggestion made to add language to the bylaws regarding procedures during emergency situations.

5. Action Items
   a. Consideration of Adoption of CARPC Resolution 2020-02 Title VI/ADA Non-Discrimination Policy (actionable item)

      Mr. Hampton moved to adopt CARPC Resolution 2020-02; Mr. Geller seconded. The motion passed on a voice vote.

   b. Consideration of Recommendation to Commission for Three Options for Agency Mission Statement (actionable item)

      Chair Palm read the three options plus CARPC staff’s recommended language.

      Discussion occurred regarding the reason why phrase “land use” was not used and the meaning of “regional challenges.” Staff’s goal with its recommended language was to keep the mission statement broad. Staff wanted a statement that clearly stated who we are and what we do.

      Mr. Hampton moved to recommend staff’s preferred mission statement “Guiding communities in overcoming regional challenges through assistance, collaboration and planning” to the Commission; Mr. Geller seconded.
Commissioners revised the mission statement to read “Strengthen the region by engaging communities through planning, collaboration, and assistance.” Mr. Hampton moved to amend the mission statement; Mr. McKeever seconded. The motion to amend the mission statement passed on voice vote.

The motion to recommend the amended mission statement passed on a voice vote.

c. **Consideration of Options for Addressing CARPC 2020 Budget Issues** *(actionable item)*

Mr. McKeever moved to recommend option #1 to the Commission (employees will receive an extra paycheck of pay for the year); Mr. Hampton seconded. The motion passed on a voice vote.

Mr. Steinhoff asked if the budget should be amended. Commissioners felt that the budget should not be amended at this time, but, if necessary, it could be amended at a later date.

d. **Consideration of Approval of Letter of Support of Designation of U.S. Highway 151 as an Alternative Fuels Corridor** *(actionable item)*

Mr. Pfeiffer moved to approve the letter of support; Mr. McKeever seconded. The motion passed on a voice vote.

e. **Consideration of Adoption of Revised CARPC Internal Control Procedures** *(actionable item)*

Chair Palm requested that the Treasurer review and approve the monthly credit card charges. The approval does not need to be made before the monthly credit card invoice is paid. This review and approval procedure should be added to the CARPC internal control procedures.

Discussion occurred regarding increasing the credit card’s credit limit.

Chair Palm requested that Section B.1.a. be revised to read as “With the Commission Chair, acts as the authorized agents for the CARPC bank accounts. All authorized agents have the authority to sign CARPC checks.”

Mr. McKeever moved to amend the CARPC internal control procedures as discussed and moved to adopt the amended internal control procedures; Mr. Geller seconded. The motion passed on a voice vote.

6. **Financials**

   a. **Consideration of Approval of February 2020 Disbursements and Treasurer's Report for January 2020** *(actionable item)*

   Mr. Geller moved to approve the February 2020 disbursements and the Treasurer’s report for January 2020; Mr. Hampton seconded. The motion passed on a voice vote.

7. **Future Agenda Items** *(Next meeting is March 9, 2020, at 100 State Street, Suite 400, Madison, WI)*

   Proposed items for the March agenda:
   a. Discussion on a better way for handling per diem/mileage expenses to reduce the number of emails;
   b. Review of bylaws; and
   c. Revision of Deputy Agency Director’s job description.

8. **Adjournment**

   Mr. Hampton moved to adjourn; Mr. Pfeiffer seconded. The meeting adjourned at 7:37pm.

Minutes taken by Linda Firestone and reviewed by CARPC staff

Respectfully Submitted:

### Item 7

**Re:** Potential Revisions to CARPC Bylaws Including Execution of Contracts

**Requested Action:** No action required. Discussion item only.

**Background:**
During the February Executive Committee meeting, Commissioners discussed revising Article VII Section 7 Execution of Contracts so that the Commission can designate any CARPC staff member to execute contracts, agreements, or other paperwork.

Additionally, during the February CARPC meeting, Chair Palm encouraged Commissioners to come forward with other bylaw revisions.

**Options, Analysis, Recommendation:**
Staff suggests the below revision to Article VII Section 7:

> Upon delegation by the Commission, the Chairperson, or upon authorization by the Commission the Executive Director CARPC staff person, shall execute any contract or other instrument authorized by the Commission. The Secretary is authorized to countersign when required.

Staff is also recommending a revision to Article VII Section 6 which would create a procedure for Commissioners to submit requests for payment of per diem, mileage, and other expenses. See item 6 on the Executive Committee agenda and packet.

**Materials Presented on Item:**
1. None

**Staff Contact:**

**Next Steps:**
1. Once all revisions are known, a public hearing on the revisions needs to be held to give the public a chance to comment on the revisions.  
2. After the public hearing, approve the revisions that had no negative public comments.
Re: Increasing Efficiency of Processing Expense Reimbursements

| Requested Action: | No action requested. This is a discussion item. |

| Background: | Commissioner Hampton requested this discussion to reduce the number of emails sent to Commissioners asking for information in order to reimburse Commissioners for per diem, mileage, and expenses. |

| Options, Analysis, Recommendation: | A better way of submitting information for the payment of per diem, mileage, and expenses to Commissioners and expenses to CARPC staff needs to be found to reduce the amount of time spent by the Administrative Services Manager on this function, and the number of emails sent to Commissioners and CARPC staff to gather this information. |

| Proposed revisions to CARPC personnel manual Section C-3.3.: | Claims for reimbursement of all employee expenses during each calendar quarter shall be filed submitted to the Administrative Services Manager no later than the end of the month following the calendar quarter and be on expense reports furnished by the Agency with receipts attached for all food expenses and other reimbursable expenses over $10. Receipts for meals must include information on any alcoholic beverages purchased. |

| Proposed additional paragraph to CARPB bylaws Article VII Section 6: | Requests for reimbursement by Commissioners for meetings other than CARPC and Executive Committee meetings in any calendar quarter shall be submitted to CARPC’s Administrative Services Manager no later than the end of the month following the calendar quarter and be on expense reports furnished by the Agency with receipts for all expenses. All receipts for meals must include information on any alcoholic beverages purchased. The cost of alcoholic beverages plus any sales tax or fees charged for such beverages will not be reimbursed. |

| Next Steps: | 1. If action is needed, put on April agenda as an action item.  
2. If revisions to the bylaws are needed, a public hearing needs to be held so that the public can comment on the revisions.  
3. Approve any changes to the CARPC personnel manual and CARPC bylaws. |
Requested Action: Approval

Background:

It has come to the attention of CARPC management that State of Wisconsin and UW employees are eligible to receive up to $2,000 per year from their employer if they opt out (waive coverage) of State of Wisconsin Group Health Insurance Program coverage.

Instituting a similar policy for CARPC employees could incentivize some employees (those who can obtain comparable or better health insurance coverage through a spouse or domestic partner) to waive coverage through CARPC, which would reduce the agency's health insurance cost overall.

Dane County does not currently have an opt out incentive program for health insurance.

Analysis and Recommendation:

Staff recommends implementation of a $2,000 annual Opt-Out Incentive like that available to State of Wisconsin and UW employees. Under that policy, the incentive payment is prorated. If elected, it is paid at a rate of $166.67 per month, for months that the employee is eligible for the employer contribution towards a health insurance premium.

CARPC’s 2020 health insurance monthly rates:

- $811.95 HMO Single
- $1,908.07 HMO Family
- $913.11 POS Single ($887.82 paid by CARPC; $25.29 paid by employee)
- $2,145.80 POS Family ($2086.37 paid by CARPC; $59.43 paid by employee)

For every employee that elected to opt out of coverage, the agency would save a minimum of $645.28 per month (for single HMO coverage).

An employee who opts out would be required to sign a waiver that states they have other health care coverage for themselves and their dependents. Opt-Outs must occur during the open enrollment period or meet CARPC’s insurance provider’s criteria for a qualifying event.

E. Personnel Benefits

E–1. Health/Dental Insurance

Regular full-time, regular part-time, or PTE employees who are eligible under Section B–3 (Definition of Positions) may participate in group health and dental plans. Eligibility begins on the first day of the calendar month following the 30th day after employment. An eligible employee must be compensated for at least 13 days of work (actual work hours and used paid time off, both prorated by employment classification) during the month in order to receive health/dental benefits for that month.

Information on current health and dental insurance is in Appendix E (Frequently Reviewed Information).

For an employee who is covered by group health/dental insurance and is using vacation/sick/personal/wellness hours, or is on an FMLA leave (whether unpaid or paid by using some sort of paid time off, including disability), the Agency will pay the same percentage of premium costs that are provided to active employees under the same coverage. The employee’s portion of premiums must be paid by the employee at the same time, and in the same amount, as would be required if the employee was not on leave. If an employee fails to return to work, the Agency may recover its portion of the premium paid for health/dental insurance coverage during the leave.

Employees who are covered by group health/dental insurance and are on a leave of absence without pay, and who want to maintain their group insurance coverage, will be required to make the full premium payment to the Agency prior to the 10th of the month preceding the month of coverage. Failure to make timely payments shall be grounds for termination from the group plan.

Group health insurance coverage terminates on the last day of the month in which an employee is employed. Group dental insurance coverage terminates on the last day of employment. Employees whose employment is terminated for reasons other than retirement will be given an opportunity to maintain health and/or dental insurance coverage for a limited period of time.

The Consolidated Omnibus Budget Reconciliation Act (COBRA) is a federal law allowing most employees who lose their health coverage under the Agency’s group health plan for any reason (except gross misconduct associated with employment) to continue coverage at their own expense, along with their spouses and dependents, for up to 18 months. A spouse and dependents may continue coverage for additional time if coverage is lost due to the death of the employee, divorce from the employee, loss of dependent status due to age, or the employee’s eligibility for Medicare. The law permits the group continuance coverage to be terminated if the subscriber fails to make timely premium payments, becomes eligible for similar coverage under another group policy, or becomes eligible for Medicare. Full premium payment is the responsibility of the individual. See the Administrative Services Manager for more details.

Employees who elect to obtain health insurance through spouses or other sources are eligible to receive an opt out incentive of up to $2,000 per year, prorated at a rate of $166.67 per month for each month that the employee is eligible for the employer contribution towards a health insurance premium. An employee who opts out will be required to sign a waiver that states they have other health care coverage for themselves and their dependents. Opt-Outs must occur during the open enrollment period or meet CARPC’s insurance provider’s criteria for a qualifying event.
Re: Approval of Revised Job Description for Deputy Agency Director (actionable item)

Requested Action: Approve revised job description for Deputy Agency Director

Background:
At its February 2020 meeting, CARPC staff brought a conflict between the Deputy Agency Director’s job description and the CARPB bylaws to the Commission’s attention. Commissioner McKeever suggested that the Deputy Agency Director’s job description be revised to remove the authority to executive contracts and agreements so that the job description was not in conflict with the CARPC bylaws.

Options, Analysis, Recommendation:
Based on the discussion Commissioners had regarding who among the CARPC staff should executive contracts and agreements, the following revision to the Deputy Agency Director’s job description is suggested:

Executive contracts and agreements as directed by the Commission to carry out the functions of the Agency;

Additionally, a few minor housekeeping edits have been made to the Deputy Agency Director’s job description.

- Develop and implement a regional consensus-building process to generate a broad agreement on a vision for the future of the region;
- Develop processes, implementation measures, and alliances to empower and encourage local units of government and municipal leaders to work individually and in concert towards the realization of regional goals;
- Facilitate and achieve consensus among diverse groups and interests;
- Foster meaningful dialogue and collaboration among all units of government, and promote coordinated action for the improvement of the region;
- Communicate the findings, initiatives, and policy recommendations of the Agency; Overall performance and management of Agency operations;
- Communicate the goals and objectives of the Agency in a compelling and persuasive manner and generate broad support for the Agency’s work through outreach.
- Develop private and public communications and maintain positive public relations in a politically and socially diverse environment;
- Uphold and implement the Agency’s Personnel Manual;
- Protect staff neutrality, respect, loyalty, and team spirit;
- Develop the effectiveness of the Agency staff in the service of the Agency and the region, and protect staff neutrality, respect, loyalty, and team spirit;
- Develop and propose an annual budget and manage its implementation, including the review and approval of expenses and the approval of bank deposits;
- Develop an effective and progressive work program and budget in support of the Agency’s vision and mission, as well as its legally mandated duties and responsibilities;
- Manage program development, implementation and evaluation;
- Create and maintain a workplace atmosphere of respect and professional neutrality;
- Execute contracts and agreements as directed by the Commission to carry out the functions of the Agency;
- Compliance with federal and state laws and regulations;
- Duties as directed by vote of the Commission.
Minimum Education and Experience Requirements
Master’s degree in a related field from an accredited college or university. A minimum of three years professional experience at a senior level in planning or environmental sciences. A minimum of one year of management experience, including developing Agency goals and objectives, hiring, supervision, budgeting, staffing governing boards, and designing and overseeing work programs. Excellent public relations and oral and written communication skills. Demonstrated ability to effectively represent the organization and develop effective relations with other entities and leaders to advance Agency goals.

Certifications: None required
Licenses: None required
Salary Range: R-23
FLSA Status: Exempt
Reports to: Executive Director or Agency Director

Physical Demands
Must be able to use a laptop or workstation to perform job duties. This person needs to frequently move about to attend meetings inside and outside the office, access files, and operate office machinery, including copiers and printers, telephones, and presentation equipment. Occasionally needs to position self to work on presentations, including under desks (to retrieve supplies) and next to utility tables. The person in this position frequently communicates with other staff and the public who have inquiries about the Commission’s programs and data. Must be able to exchange accurate information in these situations. Occasionally must be able to lift and move office supplies and audio/visual equipment up to 10 pounds in the office and outside the office for various event needs.

Work Environment
Work is generally performed within an office environment, with standard office equipment available. Requires attendance at some evening meetings. Re: Approval of Increasing the Credit Limit on CARPC’s Credit Card to $10,000 *(actionable item)*

<table>
<thead>
<tr>
<th>Requested Action: Approve the increase to the credit limit on CARPC’s credit card to $10,000</th>
</tr>
</thead>
</table>

| Background: Currently the credit limit of the CARPC credit card is $5,000. During months of heavier-than-normal use, the credit card balance needs to be paid mid-month to zero out the balance so that the credit card can continue to be used. |

| Options, Analysis, Recommendation: By increasing the credit card limit, it is far less likely that the credit card will need to be paid off mid-month or be denied because the credit limit has been maxed out sometime during the month. Currently, CARPC staff checks the credit card balance every week to ensure that the card has not reached its credit limit. This is additional work for staff and would not need to be done if the credit limit was increased. Also, the bank has requested a copy of the adopted minutes of the meeting during which the Commission approved the credit limit increase to $10,000. Staff recommends that the credit limit be increased to $10,000. |

Re: Approval of March 2020 Disbursements and Treasurer’s Report for February 2020

Requested Action:

Approval of March 2020 Disbursements and Treasurer’s Report for February 2020

Background:

CARPC internal controls require that bills be approved by CARPC or its Executive Committee and also that the Treasurer routinely review the CARPC bank statement, the entries and balance of the cash account of the general ledger, the bank account reconciliation prepared by staff, and the previous month’s ending cash balance. This review by the Treasurer is regularly confirmed by his or her signature on the Treasurer’s Report, or by the Chair in the absence of a Treasurer, per the terms of CARPC’s bylaws.

Re: Authorization of Agency Director to Execute Contract with Distillery for Co-Branding Services with MPO (actionable item)

**Requested Action:** Approve Authorization

**Background:**

The Madison Area Transportation Planning Board (the MPO for the region) commissioned Distillery to provide branding services for the agency and for their Ride Share program. Within the scope of work with Distillery is development of branding that incorporates CARPC as a partner agency. This portion of the scope reflects ongoing work by both the MPO and CARPC to improve integration of regional land use, environmental and transportation planning.

At the February CARPC meeting commissioners received a presentation from an MPO staff member on their branding efforts. Discussion following the presentation included expressions of interest in exploring options for CARPC to participate on some level with the MPO’s branding project in order to better present complimentary images.

**Options, Analysis, Recommendation:**

**Options**

Staff met with Distillery representatives working on the MPO branding project to discuss possibilities for CARPC to also develop complimentary branding. Following the meeting Distillery submitted a proposal with two options to CARPC (attached).

Option A includes: 1) an Audit of stakeholder perceptions and goals, examination of existing branding materials, market research of landscape (similar organizations) and community sentiment, and review of existing and past survey and audit findings; 2) Branding Exploration through preparation of visual systems including a presentation of brand identities and subsequent refinement; and 3) Implementation of Assets including creation of a brand guidebook, style variations, necessary collateral and brand assets, and a Marketing Strategy. Total cost of $9,800.

Option B proposes a smaller scope including: 1) an Audit consisting of evaluation of landscape perception through review of existing materials, past surveys and comparable organization and audit findings; 2) Branding Exploration through development of visual systems including a presentation of brand identities and subsequent refinement; and 3) Implementation of Assets including creation of a brand guidebook and brand assets. Total cost of $5,000.

In terms of deliverables, both options provide a brand audit, landscape analysis, initial logo concepts and refinement and brand guides. Option A, for an additional $4,800 also provides a marketing strategy, templates, stationary update and “additional collateral” (updates to existing materials such as website or brochure). Option A would also include some additional hours spent on the Audit and Branding Exploration phases, allowing more time spent on research of similar organizations, and more hours spent on a unique CARPC identity vs. building more on MPO identity.

Another option (call it Option C) is not to authorize the Agency Director to execute a contract with Distillery.
Analysis
Funding for this contract is not currently in the CARPC budget. Revenues for the project would come from salary savings due to staff turnover, which should cover either option A or B assuming receipt of budgeted revenues and no additional unforeseen expenses. CARPC is likely to consider a budget amendment in coming months to account for a variety of changes since initial adoption. Adding a branding expenditure would, if approved, be included in such a budget amendment.

Option B would provide basic visual compatibility of identities through logos and design elements that strengthen the perception of CARPC and MPO as “partner agencies.” This would enable basic co-branding while incurring some additional expenses.

Option A would also provide CARPC with a marketing strategy, visual upgrades to other CARPC communication products, and some additional consultant time spent on CARPC specific branding. This would provide additional resources to potentially more effectively market using new brand identities, while incurring more additional expenses.

Both options A and B involve investing in co-branding services before seeing the outcome of MPO branding efforts. On the one hand this involves some risk that the agency will not like MPO branding. On the other hand, the risk is mitigated by the fact that the MPO undertook a full competitive selection process before selecting Distillery from a number of proposals. In addition, examples of Distillery’s work are included in their proposal and on their website.

Option C would mean somewhat lower expenditures for CARPC increasing the odds of generating a surplus, or larger surplus, at the end of the year, and eliminate the risk of contracting for branding services before seeing output generated for the MPO. On the other hand, this option would eliminate or significantly reducing our ability to co-brand CARPC and the MPO as partner agencies.

This item is included for potential action in March because MPO’s funding for their branding project (2019 WisDOT carryforward funds) expires at the end of May. Delaying CARPC action until April would preclude the opportunity for Distillery to develop co-branding materials for CARPC.

Recommendation
Staff recommends Option B. The MPO branding project presents an opportunity for CARPC to build on their consultants work and cost-effectively prepare complimentary branding including a logo. In addition, recent CARPC adoption of mission and vision statements sets the stage well for branding services. Option B is adequate to achieve basic co-branding desired by the agencies while still likely allowing a budget surplus, and minimizing the risk of investing in branding before seeing MPO branding. While CARPC would not get the additional benefits of Option A, the agency could likely contract later for those items.

Client  Capital Area Regional Planning Commission
Contact  Steve Steinhoff
Thank you for considering Distillery for the Capital Area Regional Planning Commission (CARPC) rebranding. With over 22 years of experience branding, marketing, and design, we would be an ideal choice for the rebranding and marketing of your agency.

Enclosed you will find the project scope, process, cost estimate and samples of relevant work. Please don’t hesitate to contact us with any additional questions you might have. Thank you again for the opportunity, and we look forward to hearing from you.
PROJECT SCOPE

To develop an impactful identity based on community and organization needs for the Capital Area Regional Planning Commission including a new logo, supported messaging, and marketing recommendations.

PROCESS

PHASE 1 - AUDIT

**Internal:** Assessment of existing organizational perception, key stakeholders, short and long term goals, and an examination of existing brand materials.

**External:** Evaluation of landscape and community sentiment through market research and review of existing and past survey and audit findings (including recent MATPB audit results).

PHASE 2 - BRANDING EXPLORATION

**Design:** Development of visual systems concurrent with audit findings.

**Presentation:** Proposal of three different brand identities is presented to CARPC consisting of a logo and additional pieces to experience a holistic look and feel of the visuals in multiple formats.

**Refinement:** Refine selected visual direction, accommodating feedback and best communicating brand messaging and positioning.

PHASE 3 - IMPLEMENTATION

**Assets:** Creation of brand guide book, style variations, brand assets and necessary collateral.

**Marketing strategy:** Provide marketing strategy with suggested tools and channels.
