NOTICE OF PUBLIC HEARING May 11, 2023

Amendment of the *Dane County Water Quality Plan* by Removing a Prior Condition of Approval in the Waunakee Urban Service Area

PLEASE TAKE NOTICE that the Capital Area Regional Planning Commission will hold a public hearing convening at 7:00 p.m. on May 11, 2023, for the purpose of public input on a proposed amendment to the *Dane County Water Quality Plan*, requested by the Village of Waunakee, to remove a prior condition of approval in the Waunakee Urban Service Area. The proposed amendment is currently in the Village of Waunakee, in the Sixmile Creek (HUC 12: 070900020602) watershed. The amendment would remove the requirement to “*infiltrate 100% of the increased post-development runoff volume from the 100-year, 24-hour design storm in accordance with the Town of Westport Stormwater Ordinance*”. This condition of approval was part of CARPC Resolution No. 2017-21 ([link to resolution](#)), originally approved as part of an amendment to the Water Quality Plan by DNR letter DC-0191, dated January 11, 2018 ([link to DNR letter](#)). The [application](#) request has been posted on the service area amendment page of the CARPC website ([link to website](#)).
